DECISION ON  
PETITION  
UNDER 37 CFR 1.137(b)

This decision is in response to the petition to revive under 37 CFR 1.137(b) filed 14 February 2000 and to the "STATUS INQUIRY" filed 17 October 2000 in the above-captioned application. The petition to revive is hereby **GRANTED** as follows:

The appropriate petition fee as required by 37 CFR 1.17(m) has been submitted.

All of the requirements of 37 CFR 1.137(b) for revival have been submitted. Applicants' statement that "the entire delay to timely enter into the US national phase from the non-extended due date of August 16, 1999 or the maximum extended due date of January 16, 2000 until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional" meets the requirements by 37 CFR 1.137(b)(3) at the time of filing this petition.

A review of the declaration of the inventors filed with the petition reveals that it is in compliance with 37 CFR 1.497. Since the declaration of the inventors were submitted after 30 months from the priority date claimed of 21 June 1966, an amount of \$130.00 surcharge (fee code 1617) for filing an oath or declaration after 30 months, has been charged to Counsel's Deposit Account No. 09-0470, as authorized in the petition.

Applicants' claim for priority is acknowledged. The application has an international filing date of **19 June 1997** under 35 U.S.C. 363 and a date of **14 February 2000** under 35 U.S.C. 371.

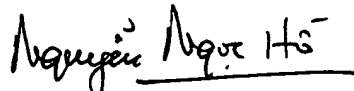

The request to revive the application abandoned under 35 U.S.C. 371(d) is granted as to the National stage in the United States of America.

The application is being forwarded to the United States Designated/Elected Office for processing in accordance with this decision, that is, for issuance of a Notification of Acceptance of Application under 35 U.S.C. 371(c) and 37 CFR 1.495 (Form PCT/DO/EO/903) and for preparation and mailing of a filing receipt.
